Sir:

The filing receipt for the subject patent application has been received and reviewed for accuracy. A discrepancy has been discovered. The filing receipt indicated an error in the title of the invention stating the word **signaling** twice. The correct title is **Mechanism for automatically determining signaling role and associated protocol of frame relay communication device.**

In view of the error noted, it is respectfully requested that a corrected filing receipt be issued in this application. Since this error is believed to be an error of the Patent Office, such change should be made at no expense to the applicant(s). However, if any fee is believed to be necessary, authorization is given to charge Deposit Account No. **01-0484.**
